BRITISH HONDURAS.

Report from Belize—Fruit port.

BELIZE, BRITISH HONDURAS, *May 19, 1901.*

SIR: I have the honor to submit report for week ended May 18, 1901. The following vessels have cleared from this port:

Date.	Vessel.	Master.	Number of crew.	Destination.	Number of passengers from Belize.	Number of passengers in transit.	Total number of passengers.	Number of pieces baggage disinfected.
May 17	Ss. Anselm	Brown	39	New Orleans	5	6	11	13
May 18	Ss. Esther	Stevenson	19	do	0	0	0	0

The sanitary conditions of this port and the adjacent country are good. Eight deaths during the week, as follows: One from acute myelitis; 1 from acute enteritis; 1 from umbilical hemorrhage; 1 from chronic dysentery; 1 from splenitis; 1 from heart failure; 1 from tetanus, and 1 from broncho-pneumonia.

Inclosed find triplicate of certificates issued to vessels and duplicates of certificates issued to passengers.

Respectfully, J. GREY THOMAS,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S Marine-Hospital Service.
